

## Basic Data

|                               |              |
|-------------------------------|--------------|
| <b>Vessel's type</b>          | Longliner    |
| <b>Built</b>                  | 1992 (Japan) |
| <b>Classification society</b> | RMRS         |

## General Characteristics

|                           |                           |
|---------------------------|---------------------------|
| <b>LOA x Beam x Depth</b> | 56.41 m x 8.80 m x 3.80 m |
| <b>Draft</b>              | 3.65 m                    |
| <b>Tonnage (BT / NT)</b>  | 769 / 230                 |
| <b>Deadweight</b>         | 379 t                     |
| <b>Accommodation</b>      | 23 pers                   |
| <b>Speed</b>              | 12 kn                     |

## Engine Room

|                    |                          |
|--------------------|--------------------------|
| <b>Main Engine</b> | Niigata 6M28HFT / 769 kW |
| <b>Propeller</b>   | CPP / 4 blades           |
| <b>Generator</b>   | 2x 308 kW                |

## Fishing and Deck Equipment

|                                    |                                |
|------------------------------------|--------------------------------|
| <b>Long line fishing equipment</b> | Mustad Autoline DeepSea system |
|------------------------------------|--------------------------------|

## Freezing Equipment

|                    |       |
|--------------------|-------|
| <b>Temperature</b> | -30°C |
| <b>Refrigerant</b> | R22   |

## Capacities

|                  |           |
|------------------|-----------|
| <b>Hold</b>      | 2,048 cbm |
| <b>Fuel tank</b> | 265 cbm   |

## Electronics
